

## EXPLODED VIEW

This exploded view is for resin and composite band only.  
There are no exploded views for other types of bands.

Attention to order

1. The most of normal repair or initial repair within 1year since released month can be done by main parts.
2. Minor parts should be ordered carefully in consideration of the actual usage of your repair and your technical skills.
3. Main parts should be ordered and stocked appropriately in consideration of your parts usage anre repair usage for similar models.

**MAIN PARTS**

**2 QW-3063AT-02TK**

- Note: 1. Prices and specifications are subject to change without prior notice.  
 2. Spare parts are classified as follows according to their importance in after-sales service.  
     A Rank ----- Important  
     C Rank ----- Not Important  
 3. Batteries in Bulk pack on the tray will be supplied from our Overseas Spare Parts Section under charge basis.  
     Batteries in Blister pack will be supplied from our Sales Department.  
 4. As for order/supply of spare parts, refer to the separate publication "GUIDE BOOK for spare parts supply".

Attention to order  
 1. The most of normal repair or initial repair within 1 year since released month can be done by main parts.  
 2. Minor parts should be ordered carefully in consideration of the actual usage of your repair and your technical skills.  
 3. Main parts should be ordered and stocked appropriately in consideration of your parts usage and repair usage for similar models.
