Bronze dial

Ref : 60500-11-203-QBBA

A version of the Terrascope that's all about textures. Housed in a vertically satin-brushed and polished steel case and bezel, the erratically-brushed metallic bronze dial is set with suspended rhodium-coated baton indexes and faceted hands with luminescent paint, providing tremendous visual depth. The watch comes in a bronze ostrich strap, perfectly matching the dial.
