DATA BANK TELE-MEMO / DATA BANK TELE-MEMO 50

- 10 sets of telephone numbers
(10 sets of 4 letters and 12 numerals can be memorized.)
- World time zones
(20 major time zones with capital city code.)
(One-touch summertime adjustment.)
- 3 daily alarms
- Hourly time signal
- 8-digit calculator with memory
(Constants for π , $\sqrt{2}$, $\sqrt{3}$, $\sqrt{5}$, function command signs, accumulation to the memory)
- 1/100 sec. stopwatch
- 12/24 hour formats
- 3-month battery life
- Micro-light

Here's how simple is FILE & FIND System is:

Initial results
Just enter the first initial of the name and press any front button
You can then scan through all names beginning with that initial in
alphabetical order.
And then, there's Sequential Search, to take you rapidly through
all information stored in the memory.

- Triangular watchcase blend in with cross-cut design.
- Direct integration of the "module" with the case makes a new watch concept.
- Super-small battery gives 2 years of LSI power.
- Interlock molding technique combines two different types of resin into a case and band.
- Thin insulation layer prevents electrical leaks.
